

How to use the charts

These distances charts enable you to find out the distances and times between a selection of Southern Belgium's golf courses and major destinations in Belgium and France.

To read the charts select the major destination from the top of the chart (and read down) and the golf course from the list on the right hand side (and read across). The distance and/or time between the two locations is where the two lines meet.

Namur				
		Spa		
1 ↓	91	Waterloo		
	88	13	Royale Amicale Anderlecht Golf Club	
	5	53	Royal Golf Club du Chateau Royal d'Ardenne	
	6	22	Golf du Bercuit	
	38	←	Golf de Durbuy	
	31	86	9.4	Golf de L'Empereur
	66	0.6	92	Royal Golf Club des Fagnes
	31	32	102	Five Nations Golf Club

Extract from distances chart (miles).

1 - Read Down

2 - Read Across

In this example, the distance between Namur and Golf de Durbuy is 38 miles (or 61km).

Times and distances are from the "recommended by Michelin route" on Via Michelin online at <http://www.viamichelin.com>

Times are based on average driving speeds and conditions and should be used as a rough guide only.

Miles and km conversion chart

km	miles	miles	km
1	0.6	1	1.6
2	1.3	2	3.2
5	3.1	5	8
10	6.3	10	16
20	13	20	32
50	31	50	80
100	63	100	160
200	125	200	320
300	188	300	480
500	313	500	800
